

EUEPiN WORKSHOP PARTICIPANTS RESEARCH AREAS/PROJECT MAPPING

TECHNICAL WORK GROUP 2: AQUATIC & TERRESTRIAL BIODIVERSITY CONSERVATION

S/N	RESEARCHERS
1.	<p>Dr. OLAPOJU, Oluwabukunola Ayokunmi (Group Lead) bukky.grace09@gmail.com Nigerian Institute for Oceanography and Marine Research (NIOMR)</p> <p><i>Research Areas:</i> Benthic Ecology and Environmental Modelling</p>
2.	<p>Dr. JEROME, Fisayo C. 0803616joel@gmail.com Nigerian Institute for Oceanography and Marine Research (FUNAAB)</p> <p><i>Research Areas:</i> Marine pollution (plastic and micro plastic); Marine Conservation: Fisheries.</p>
3.	<p>Professor TAIWO, Iyabode Taiwo iomtai@yahoo.com Federal University of Agriculture, Abeokuta (FUNAAB)</p> <p><i>Research Areas:</i> Heavy metals in fishery organisms, water bodies & sediments; masculinization of Tilapia app using plants such as hibiscus, been and pumpkin leaves and seeds</p>
4.	<p>Dr. OGUNDIJO, Oluwaseun Adeolu ogundijo.adeolu@gmail.com University of Ibadan</p> <p><i>Research Areas:</i> Wildlife Ecology and Habitat Evaluation; Ecological modelling of zoonotic diseases.</p>
5.	<p>Dr. ALARAPE, Selim Adewale link2sas@gmail.com University of Ibadan</p> <p><i>Research Areas:</i> Fish infectious diseases, Anti- microbial resistance using fish as animal model, Environmental Toxicology, Heavy metals and drug residues in fish and water bodies, One Health</p>
6.	<p>Dr. AINA, Oluwasanmi ainasanmi@gmail.com Univesity of Ibadan</p> <p><i>Research Areas:</i> Plant based immune boosters and growth promoters in Catfish production; development of Fish biosecurity systems Ogun and Delta States</p>
7.	<p>Dr. SOGBANMU Temitope O. tsogbanmu@unilag.edu.ng <i>EUEPiN Project Lead; University of Lagos</i></p>

	<p>Research Areas: Ecological risk assessment of organic pollutants in aquatic ecosystems and effluents; effect directed analysis of wastewater and development of low-cost treatment methods; method development for fish embryotoxicity studies using indigenous fish species; environmental risk communication to stakeholders and policy makers; environmental toxicology; fish early life stage toxicology; wastewater toxicity and treatment; environmental risk communication; pollution management.</p>
POLICYMAKERS	
8.	<p>SUBERU, Adebukola (Group Co-lead) suberuadebukola@gmail.com Lagos State Ministry of Environment and Water Resources</p> <p>Project/Mandate Areas: Wetland Biodiversity Conservation; Manatee and sea turtle conservation</p>
9.	<p>BANIRE, Monsurat tsms2007@yahoo.co.uk Lagos State Ministry of Environment and Water Resources</p> <p>Project/Mandate Areas: Wetland Management and Biodiversity Conservation; Ecological Matters in Lagos State.</p>
10.	<p>PWOL, Victoria Gyang pwolvictoria@yahoo.com Federal Ministry of Environment</p> <p>Project/Mandate Areas: Securing a quality environment; preparing national policy on environment; raising public awareness on environmental matters; prescribing environmental standards and regulations; cooperating with relevant stakeholders on environmental matters, etc.</p>
11.	<p>IBITAYO, Kaosara Abimbola abimbola1967@gmail.com Federal Ministry of Environment</p> <p>Project/Mandate Areas: Raising of seedlings of different variety of seeds e.g. fruit tree/ plants, medical trees/plants, exotic trees/plants and economic/indigenous trees/plants to support the presidential afforestation initiative.</p>
12.	<p>IDOWU, Sunday Whenayon idowusunday536@gmail.com Lagos State Ministry of Environment and Water Resources</p> <p>Project/Mandate Areas: Collaboration with NGOs such as NCF, Lufasi, Wildlife Africa, Friend of Environment, etc. on Conservation and Ecology matters; Pilot study of less intensive and intensive mowing of urban lawn at the Ministry's quadrangle.</p>
13.	<p>SHITABBEY, Tolulope tolushit@gmail.com Federal Ministry of Environment</p> <p>Project/Mandate Areas: Drought & Desertification Amelioration</p>
